

## **TEST CASE FOR USER STORY 10**

### **List of Services**

By Nicholas Bensein

Team 96

The purpose of this document is to outline the steps to be taken to test the functionality of the User Story 10. The author of this document or Team 96 and its members cannot guaranty the validity of this test if any deviation from the steps described in this document are made.

### Manual Testing

1. On the homepage scroll down, or press:

2. From here you will see three symbols, click any of them:

3. From here you will re-directed to the login page at: <http://52.63.149.254/TIB-Package-Delivery/pages/login.php?error=deliveries>
4. Login as a standard user
  - i. Username: [test@drop.it](mailto:test@drop.it)
  - ii. Password: test
5. Once you login you will redirected back to the homepage, from here select the symbols in the order shown above. When you select the van you will be redirected to: <http://52.63.149.254/TIB-Package-Delivery/pages/request.php>
6. Once this is done click: **drop.it**
7. Next click the arrow symbol, you will be redirected to: <http://52.63.149.254/TIB-Package-Delivery/pages/tracking.php>
8. Repeat step six then select the checkbox symbol and you will be redirected to: <http://52.63.149.254/TIB-Package-Delivery/pages/deliveries.php>
9. If the links successfully take you to each of these web addresses the test was successful.
